a year to treasure

78
ALMA MATER

Hail to thee, O Euclid High School
To thy name all praise we sing.
Happy days of youthful pleasure,
Learning, living, life so dear.
Our hearts fill with gratitude
For all that is to be
ALMA MATER, Euclid High School,
All our praise we bring to thee.

Where the blue of Erie's waters
Casts the sun's bright golden rays,
There all Euclid's sons and daughters
Sing the joys of student days.
If after days be dark and drear
And storms of life draw nigh,
The memories of our friendships here
Will lift our hearts to Euclid High.

To treasure something... to hold it dear; to cherish it...
As the school year speeds by, we pause to remember the things, both good and bad, which stand out in our minds and reflect upon them. We then sort the pieces, which, when collected, join to make an unforgettable year.
Moments of concentration. Times when you can be alone with your thoughts; to work, to study, or just to relax.
and other times ... chaos!
complete and total
CO
chaos!

The feeling of not knowing what's going on, and not even caring! Instances when you just KNOW the little men in their white coats are coming to get you!!
Time to study . . . . . . to reflect . . . .
to feel loved.
Looking back... on your years at Euclid High.
Dear Graduating Seniors -
The Class of 1978:

We have shared triumphs and failures together for three years. Now, as you go on to new and greater challenges, my wish for each of you is: that you continue to grow personally, socially, educationally; that you hold the same pride in your school that we have had in you; that you succeed in what ever your next step in life may bring.

Each of you has experienced important moments in your life as a Euclid High student; memorable, dramatic, climactic, even traumatic. New faces, new courses, new goals have presented you with new challenges. Each has contributed to your education and growth.

Since I, too, shall be leaving Euclid High this year, I take the liberty of considering myself a member of your graduating class.

Therefore, the "Class of Seventy-eight" will always have special significance to me. It has been a privilege to know and work with you.

Sincerely,

Walter Schwegler
The class of "78" was outstanding! They possessed a vital unity which has separated them from all other classes, past and future. It has been a privilege to work with them, and I am proud to say that I am a member of that class.

I would like to thank the Class of "78" for providing me with many wonderful memories and I wish to extend many thanks to Cheryl Frank for her tremendous help with this section. Cheryl, We did it!

GRADUATION
The game of Graduation may be played by two or more players. A die and some markers (tokens for example) are needed to begin. All the players start by rolling the die. The one with the lowest number begins and the play proceeds counter-clockwise. The first player rolls again and moves his marker the number of spaces shown on the die. A player must follow the instructions on any block on which he lands.

BOARD OF EDUCATION
AND
ADMINISTRATION

The members of the Board of Education established the policy for the administration of the schools. The superintendent’s team met regularly and provided the answers to the problems and concerns that faced the schools. Dr. Husarik, superintendent of schools, enjoyed teaching and served as a substitute occasionally.

Leading the way in which each of us seniors must go, a guiding force kept the path open to each of us. His openness and understanding of our problems made it possible for our commencement into a new adventure of life after high school graduation. Our goals, our happy times, and our losses kept us on the road of progress because of his interest in each of us as human beings. His constant vigilance and presence in the school helped to keep us mindful of the real purpose of education. His friendship will always be TREASURED as we go on to fulfill our goals. The proof of our value of Mr. Schwegler is pictured here with the many duties, yet, real involvement with all the students of Euclid High School.
The needs of the individual student was met through the dedication of the faculty and staff. The teachers satisfied the hunger for knowledge, while the counselors, deans, and administration aided them in obtaining this wealth.

CAFETERIA WORKERS

This staff did an excellent job of cooking and serving hot and nourishing lunches. They tried to change our usual French fries and hamburgers into a wider variety of foods. They achieved this by challenging our taste buds. The Paul Bunyan, Torpedo, pizza sandwiches and many other nutritional meals varied the menu.

Cafeteria Employees (left to right), Row 1: Elizabeth Zimmerman, Jean Hassel, Lois Brow, Mary Black, Rose Haines, Margaret Payne, Sadie Taylor. Row 2: Mavis Kopsch, Charlotte Coulter, Mildred Somrak, Eleanor Doblerkar, Jean Skolaris, Winifred Modic, Margaret Brooks, Carol McDonough, Barbara Apanaswicz, Mae Kolesar, Mary Markovich. Our school was in A-1 shape because of the custodians who did what we took for granted. The essentials, like cleaning and maintaining the building, were hard chores which this staff handled beautifully. Mr. Ganzer, one of these dedicated workers has retired this year. We thank him for all his services rendered us.

CUSTODIAL STAFF

Custodians (L-R), Mr. Zak, Mr. L. Kilkenny, Mr. L. Brace, Mr. M. Holl, Mr. A. Ziegler, Mr. R. Lókar.

Mr. Ganzer
This year’s team was exceptional in many respects. The defense led the Greater Cleveland Conference in TOTAL DEFENSE and RUSHING DEFENSE. They allowed opponents only 7.6 points a game. Offensively, Euclid led the Conference in RUSHING YARDAGE and was second in TOTAL DEFENSE. There were many players who excelled at their positions. Jim Baitt broke the school rushing and scoring records. He was named M.V.P. in the conference. Other All-Conference players were: Dave Berlan, Ed Delaney, Jack Gregorin, Mark Centa, Tom Palumbo, and Dave Yeckley.

The most thrilling aspect of this year’s team was the way the young men played the game. They were extremely enthusiastic toward contact, and they earned the genuine respect of all their opponents.

The team finished in second place due to a one point upset loss to Mayfield. More importantly, however, they established the fact that Euclid Senior High plays winning football and thrives on “hardnosed” football players.
The J.V. football team finished their season in second place in the league. Following tough losses in three of their first four games, the Panthers came back to win five of their last six games. Even though they were hampered by many injuries and also sophomores playing for the Varsity, the J.V.'s were determined to have a winning season. Their hard work and fine play sets the groundwork for their successful varsity careers.

Coach Tom Stupica
The 1977 Euclid High Soccer Team finished the season with a very respectable 8-4-1 record. Our G.C.C. record was 6-3-1 which was good enough for 3rd place behind Eastlake North and Mentor. Highlights of the year were our 0-0 tie with undefeated Eastlake North, and our 4-3 come-from-behind victory over Lake Catholic. Receiving honors on this year’s team were Scott Parker, 1st team G.C.C. and Euclid Soccer Most Valuable Player, Jorge Lanese, 1st team G.C.C. and Euclid Soccer Most Valuable Defensive Player, Rob Cowan, 2nd team G.C.C. and Euclid Soccer Most Valuable Player Offense, Bob Simisak received 2nd team G.C.C.

Coach Greg Sattler

ROW 1: Mike Maggio, Sylvan Kuharich, Dave Seidel, Bob Simicak, George Lanese.
ROW 2: Joe Cartulla, Herb Pawski, Rob Cowan, Scott Parker, Rick Boehm, John Laughlin.
ROW 3: Paul McFadden, Mike Topping, Tom Deemer, Mike Campbell, Bob Dalic.
ROW 1- Jeff Freedman, Scott Foreman, David Ice. ROW 2- Jacques Gondeau, Lou Vidovic, Greg Giegerich. ROW 3- Dave Dodd, Mike Reed, Dave McGraw, Craig Hasegawa. ROW 4- Coach Dick Homovec, Chris Durbin, Dave Mays, Jeff Kleinfeld, Tom Kohagen, Boris Masera, Dave Uchbar, Mike Kupfer, Doug Ayers, Jim Gaydosh.
J.V. SOCCER

The 1977 Junior Varsity Soccer Team ended the season with a respectable 3-4-2 record. Starting practice in August with a squad of twenty-five boys, the team showed constant improvement in both the skill and tactical areas of the game. Since only five of the twenty-five J.V.'s had any previous soccer experience, the whole team worked exceptionally hard. Their play at the end of the season reflected this hard work.

Coach Dick Homovec
CROSS COUNTRY

The 1977 edition of the Panther Harriers was one of those forgettable seasons filled with misfortune at every turn. One bright spot in the season was Chris Dole who qualified for the State meet where he finished 43rd in the individual race. Leaving the team will be seniors Mike Fabec, Walt Wolski, Chris Dole, and Mike Glaser, who did a fantastic job throughout their cross-country careers. The underclassmen on our team are strong runners and they will be the backbone of our team next year.

Coach Tom Halbedel
GOLF

Our golf season was moderately successful. After a very poor start of 1-5-1, we won 5 of our last 7 matches. In so doing, we set two school scoring records including a remarkable 150 wherein all 4 scorers shot under 40.

Individual performances were noteworthy as well. Captain George Mazzaro set a record for rounds 40 or under. Bob Cayne qualified for the District as a sectional medalist, and he also had the season's lowest round of 34. Keith Kester had 5 rounds under 40, one of which was an even-par 35.

Kester, along with Don Malone and Dave Thompson will form the nucleus of next year's team. These returnees, playing for the first time on a genuine "home" course, should give us a good chance to improve this year's record.

Coach Mike Raicevich

ROW 1- Steve Martin, George Mazzaro, Don Malone, Kurt Raicevich. ROW 2- Frank Balogh, Dave Thompson, Bo Cayne, Keith Kester, Coach Mike Raicevich.
HOCKEY

A youthful Panther Hockey team bogged down early in the season by inexperience and tough competition. The team showed their character by bouncing back to post a successful winning record.

Providing solid goalkeeping were sophomores Tom Bell, Ross Campensa, and junior John Williams. The defense was led by senior captain Denny Dixon and senior Mike Thomas, whose experience helped steady the remaining defense corps of sophomores Mike Burke, Jeff Schroll, Dave Nichteing, and Ed Sheridan.

By mid-season, three sound forward lines took shape and provided plenty of action. Seniors Mitch Zalar and Eugene LaValley flanked junior Chuck Golden on one unit, while sophomore scoring sensation Jim Banaszek centered for Jeff Sidak and Rick Smelko. The junior trio of Brian McCullough at center and wingers Jeff Fiffik and Kurt Raicevich, formed another unit. Tony Vitolo and Mike Chapman rounded off the forwards. Serving capably as manager for this rambunctious squad was Scott Ullman.

Coach Alex Dzerowicz

ROW 1- Tom Bell, Jeff Sidak, Mike Burke, Mitch Zalar, Coach Alex Dzerowicz, Denny Dixon, J.D. Stump, John Williams. ROW 2- Manager Scott Ullman, Chuck Golden, Mike Thomas, Brian McCullough, Jeff Fiffik, Ed Sheridan, Gene LaValley, Mike Chapman, Scott McCance, Jim Banaszek, Jeff Schroll, Rick Smelko, Tony Vitolo.

Hockey/113
VARSITY BASKETBALL

This year’s team has been a joy to work with. Co-captains, Jim Daughtery and Cliff Kirchner, were outstanding leaders for the team. Jeff Springer developed into a fine forward, while our other senior, Dave Linane, became our strong shooting guard. Lead by Kevin Kaifesh, Jerry Drobnick, Terry Hartell, Mark Kordic, Don Koller, and Rich Wagner, the blue team turned in an excellent season.

Highlights of the season included wins over Mayfield, North, Brush, and South. The team showed vast improvement as they won ten of their last eleven games. The intensity of play has been enjoyable to watch, and it exemplifies the type of individuals that were on our team.
ROW 1- Coach Doc Daugherty, Manager Frank Debeve, Jim Daugherty, Jeff Springer, Cliff Kirchner, Dave Linnane, Kevin Kaifesh, Jerry Drobnick. ROW 2- Assistant Coach Tom Stupica, Bob Rowland, Marty Zupancic, Dale Frey, Mark Kordic, Kris Hassel, Tim Tichnor, Terry Harrell, Don Koller, Rich Wagner.
J.V. BASKETBALL

The Junior Varsity Basketball team finished the season with a good record. Many games were lost by less than ten points- a basket here or there could have created many more victories.

The team is characterized by its great hustle and desire to win. With this attitude, many of the players will develop into fine basketball players because of their hard work and dedication.

Coach Tom Stupica
VARSITY WRESTLING

Even though there are 7 seniors, this year's team is still rather young with a bright future. Jim Hunt, senior co-captain, had the best record on the team. Jack Downer was the team's only place winner in the Kenston Tournament. Chris Black and Ed Delaney were both two time letter winners and completed their third year of Varsity competition. With the fine leadership that this year's seniors have provided, and the excellent junior wrestlers, next year should be interesting.

Coach Attamante
JUNIOR VARSITY WRESTLING

Row 1: Reno Poplstein, T. J. Theodore, Tom Schauer.
Row 2: Ed Noles, Chip Neff, Chris Gordon, Nathan Holland, Mike Cunningham.
Row 3: Bob Summers, Mike Radabaugh, Mark Gordon, Mike Kester.
SWIM TEAM

This year's swim team started the season with two losses, but came back to win ten in a row, with the biggest victory over Lakewood. Bart Cerer, our most outstanding swimmer with the greatest potential, established three school records during the season. Doug Jones swam many of the same events as Bart, yet was able to set two pool records.

Divers Mike Donley and Scott Harmon both had undefeated records in duel meets this year, while Mike set the school record in diving. This was the hardest working and most cooperative team I've ever had the pleasure of coaching, and I'm proud to say that the boys really did deserve the G.C.C. Championship.

Coach Joe Rodriguez

INDOOR TRACK

The indoor track team has developed into another traditional Euclid team by maintaining our outstanding record. Our strength on this team centered around the senior middle distance runners, captain Scott Parker, Chris Dole, Mike Fabec, Walt Wolski, and Scott Maxwell. Senior Jay Fondran was the mainstay in the sprint events, supported by speedsters Larry Insana, Brad Kuzik, Frank Civatrese, Vince Malone, Kevin Selway, and Pat Bine.

Mark Centa and Rich Jambor were Euclid's muscle men in the shot put. The high jump was led by Tom Waschura who will return next year.

Our sophomores and juniors filled the gaps when needed and did an admirable job of lending depth to make this another winning season.

Coach Bob Ramlow

GIRLS’ TENNIS

The 1977 Euclid High School Girls Tennis Team had its finest season ever. They accomplished an 8-6 season, despite playing in one of the toughest tennis leagues in the state of Ohio, the Northeastern Ohio High School Tennis Association.

The heart of the team were its seniors, Debbie Williams (13-1) and Bonnie Cannavino (9-4). These two girls were inspirational not only in their play, but also in the fine example of sportsmanship they set. With such a strong foundation our promising underclassmen were given much valuable playing time which will give us a good start next season.

Marilyn Bowker
ROW 1- Sue Meglich, Carol Hanson, Vickie Chapman, Linda Pierolo, Claudia McChancy. ROW 2- Coach Marilyn Bowker, Debbie Williams, Cindy Orehek, Meg Humensky, Bonnie Cannavino, Eileen Welton, Theresa Mackanos.
The Varsity Volleyball team had a 9-5 record for the year which placed them third in the league. Five seniors compose the 12 member team—Mary D'Amico and Teresa Kuklica co-captains, JoAnne Bokar, Lori Breskvar, and Eileen Busdiecker. The juniors are Linda Misch, Laurie Oberaitis, and Jeanne Dommer. Karen Busdiecker, Mickey Bolocanoff, and Martha Eyman are the sophomore representatives.

The state sponsored sectional and district tournaments were held at Euclid on November 5 and 12 respectively. Our girls were second seeded when they played Jane Addams on November 5.

The J.V. team was 5-9 for the season. However, they have done the job by grooming many sophomores for the team next year. 5’10” Monika Matthews will help provide some height for the future, while Diane Fakult and Mickey Dupay will give us some depth with our setting.

Coach Pat Buck
GIRLS’ X-COUNTRY

As a coach I have never had a team which showed such vast improvement over one season. The girls’ cross country team worked hard, obtained the proper attitude, and developed confidence which enabled them to reach their goal, the All-Ohio Championship.

Leaving the squad this year will be Judy Bohn and three year veteran, Dawn Woodruff. Juniors, Janine Kato, Kathy Rymarczyk, Carrie Schuster, and Jan Slejko will join forces with sophomores Amy Arnold, Ellen Buck, and Kim Stregh in hopes of producing an equally strong team next year.

Coach Bob Ramlow
The girls’ varsity basketball team has had a successful season. They were seeded third for the tournament behind Mentor, whom they defeated 49-44. Debbie Williams has had an outstanding season, having scored 400 points in 15 games, her high being 39 against Mayfield. Linda Misch has also played extremely well, being recognized as one of the premiere defensive people in the league. Her aggressive play has played a major part in the success of the team.

Others who have played successful roles were JoAnn Bokar, Monica Matthews, Jan Slejko, Christine and Cathleen Perryman, and Vicki Chapman, who will develop into a strong guard with more game experience.

Coach Don Martin.
Row 1: Sally Jaksa, Rose Bene, Martha Eyman, Diane Cavell, Sherie Garapic. Row 2: Coach Audrey Fox, Toni Rowland, Monica Matthews, Terri Mackanos, Karen Naininger, Patti Hastings.
This year's girls' gymnastics team had a winning season. We ended up with a 5-4 record, and were third in our league. The team consisted of many hard working young ladies who worked together to make a winning team. They were all sophomores and juniors and will be returning again next year in the hopes of improving even more.

Coach Dick Homovic
Coach Greg Sattler

SOPHOMORES

Last year's rival junior high freshman students met on September 6, 1977, to join together as the sophomore class of Euclid High School. They added enthusiasm and excitement to the corridors of Euclid High. Their year consisted of meeting new people, getting adjusted to high school life and sharing in the fun of the high school's different activities. The sophomore class decorated the halls for Christmas and planned activities that would acquaint themselves with their fellow classmates.

HOMECOMING - 1977

It was a cool, rainy October first that followed the victorious Homecoming game. Homecoming week was full of activities such as a parade, a bonfire, an assembly, a football game against South, and a dance that culminated the festivity with the crowning of Tina Kuklica. After the crowning, the E-room decorations, complete with a Parisian café’ and Toulouse-Lautrec sketching, set the atmosphere for the couples dancing to “Love Affair.”
Senior Attendant, Patty Dietrich.
Junior Attendant, Terri Baitt.
Senior Attendant, Kim Snyder.
Sophomore Attendant, Patty Naro.
Homecoming Queen, Tina Kuklica.
The Euclid Panther Marching Band opened the season this year with a drum roll and a cymbal crash as they marched downfield to Stevie Wonder’s “Living for the City.” They made such unique formations as a trumpet, a rocket that blasted downfield with smoking exhaust pipes and the smiling face of Mickey Mouse. No one will forget when the band sang Mickey Mouse and revolved a “D” in the dark. They finished the season with the traditional script Euclid and a marching band concert where they performed the “Rubberband Man” dance. Their spirited “Across the Field” and “Fight Song” added to the excitement of the pep assemblies.
MAJORETTES

M-I-C-K-E-Y-M-O-U-S-E! Euclid School presents the 1977-78 Panther Golden Girls. This year the girls performed a variety of imaginative routines including a lights-out show with green glowing batons and a hat and cane routine. They surprised everyone by performing the second show dressed as Micky Mouse. Soloist Donna Ellenbest’s routine to “I Write the Songs” brought rounds of applause from an appreciative audience. They deserved credit for standing still in the pre-game tunnel during winter temperatures. This year’s majorettes showed their skill at making each show a treasure and adding a touch of class to the half time show.
1. Seniors: Tina Kuklica, Maria Draxler, Gail Dudek, Helen Pavlovic.
2. Juniors: Jill Delany, Laura Draxler.
3. Captain: Donna Ellenbest.
4. Sophomores: Sue Mauser, Ruthanne Kubik.
5. Altranates: Joanna Nachtigal, Donna Pinto.
“Beat Joes!” “Scrub-Brush!” “Panther Power!” These signs plus many more are seen all around the high school and are not just old signs taken from the archives of the school. They are the products of a hundred imaginative students who spend their Wednesdays after school painting signs and having a bit of fun. Their work informs the student body of the upcoming games and helps generate school spirit.

AD CLUB

Bracing the cold and windy night air, members of the Ad Club circulated programs throughout the bleachers at football games. Those who manned the ticket booth did a fantastic job of selling the tickets to the crowd of sports fans. Under the direction of Mr. Raicevich, the sales went smoothly throughout the year. For their loyalty and work, they had the advantage of seeing all home games free. With their help, the athletic department met the financial costs better this year.

CHEERLEADERS

Varsity Cheerleaders: Clockwise, Laura Keyes Carla Santon, Diane Schulz, Karen Cooke, Kathie Martin, Ruth Jerome.
Left: Nancy Nemecek. Right: Mary Lou Ice.
SWIM LEADERS

The talented people who were the right-arms of the swim teachers were the swim leaders. Their duties, among taking attendance, getting equipment needed, and conducting warm-up exercises, were teaching students the correct way of swimming, diving, and just having fun in the water. These dedicated people who didn’t mind getting their hair wet were very appreciated in this year’s swim program.

WATER POLO

Instead of riding horses, this team rides trained dolphins, and provide an interesting contest at each engagement. Water Polo is a fast moving water sport, full of excitement, and the thrill of victory over the agony of defeat. They had a very successful year thanks to Coach Rodriguez.

G.A.A.

G.A.A. represents Girls Athletic Association which consists of a female intramural sports club. They participate in many activities such as basketball and volleyball. Teamwork and personal satisfaction rank high in their list of achievements.
STUDENT COUNCIL

Student Council, the voice of the student body and the pathway for student participation in school administration, improved the communication between students and faculty this year by innovating new assembly procedures as well as morning announcements. Throughout the year the Student Council promoted school spirit with pep rallies, Homecoming and Winter Festival, and a student exchange among area schools. So that they might be effective listeners, a suggestion box was placed in the main hallway. From these suggestions, Council developed new programs for the entire student body. The efforts of Council were visualized most effectively with the refurbishing of the E-Room.

WAI NAPOLO

No, this isn't a rare tropical disease. These maidens of the sea pride themselves on synchronized swimming and other difficult aquatic maneuvers. Their annual show gets more popular each year. Mr. Von Benken is lucky to be in charge of so many beautiful fishes at one time.

Officers top to bottom: Lora Hlabse, Denise Andrews, Laura Lie Nora Burke.
GYM LEADERS

Gym leaders aid gym teachers in many ways, from attendance to running errands. They demonstrate many skills, such as basketball, speed ball, volleyball, and showering without getting their hair wet. They are a vital asset, and are appreciated by teachers and students alike.

The 1977 Blue team regained the past dynasty this year by sliding past the Gold team 18-14 in the final minutes of the game. Blue's record is now 7-1. Winter's early arrival and the muddy field plagued the girls, but the only thing dampened were bodies, not spirits. The efforts of all the coaches, committees, “cheerleaders” and “majorettes” provided an action-packed afternoon. Happiest of all was the class of '78, who made over $1,000; a figure yet unsurpassed. The money went toward the Senior Prom.

The Blue Team.
The Symphonic Woodwind Ensemble and the Concert Bands continued their trend of excellence this year in all their performances. Many hours of practice went into their concerts. They provided endless enjoyment with soothing or exciting music for their parents and fellow music lovers. Included in their programs this year were Sousa marches, “Chorus Line” by Marvin Hamlisch and a song by Robert Resseger. Mr. Sydow should be commended for another job well done.

EUCLID CHOIRS

Euclid has three very talented choirs. They are Girls' Choir, Choral Masters and Varsity Chorale. The first is composed of only girls. Chorale Masters is mixed, using selected voices. Varsity is a Swing Choir, using the best from both groups. They are the smallest and perform pop songs. The choirs are directed by Mr. Sam Taylor, sometimes a difficult task.

THANKS MR. 'T'

After 31 years of fine teaching excellence, Mr. Samuel Taylor, director of Euclid's choirs, has decided to retire. In his many years of service to the Euclid school system, he has accomplished things that will remain unsurpassed in the annals of time. Some of these efforts include the many choir trips to various countries of the world, as well as the United States. Mr. Taylor has spread his cheer and vitality to such places as Mexico, Florida and Europe, just to name a few. His happiness was shared with the audience as well as the performers in the many concerts at school and other places throughout the Euclid vicinity. Although he will be gone, his past achievements and his spirit will never be forgotten. All of his friends, colleagues and choir members would like to wish him the best of wishes on his retirement, and Good Luck in the years to come. Goodbye Mr. Taylor, We'll miss you!
DON'T DRINK
THE WATER
This year's Fall Play was entitled "Don't Drink the Water", originally directed by Woody Allen. It is a comedy about an American family on vacation in Russia who are suspected as spies, and seek shelter in the U.S. Embassy. There they encounter a priest who thinks he is Houdini and a down-hearted young man who does everything wrong. He eventually does a brilliant task by helping the family out of the country through the underground. One comes away from the play wondering, "What does the title have to do with the play?" The answer: Absolutely nothing.
On February 23, 24, and 25, audiences were entertained by four in one: an Evening of one act plays, making up this year’s Winter Play. This collection of plays had something for everyone.

“Werewolf,” the first play, humorously showed the problems of a timid, shy man with a domineering wife and mother, who goes to see a psychiatrist. He thinks he’s a werewolf.

“The Summer People” was a chilling tale about an elderly couple who decide to stay at their summer cottage with deadly results.

“Why I Am a Bachelor” was humorous lecture which pointed out the before and after stages of a courtship and marriage.

“Egad! What A Cad!” is an old time melodrama complete with a villain and a heroine, and of course, a hero.

Special thanks should be given to the many people behind the scene who, without their help, would not have made the play possible. Thank You to the Stage Crew of Jack Jesberger, Sandie Hastings, and Cheryl Morabito; The Lighting Crew of Eric Hanson, Ed Filby, and Doug Hodakievic; and Student Director Karen Keller.

AUDIO AIDES

The audio aides combine their efforts to combat most any sound difficulty imaginable. They run communications, eliminating any feedback as well as other important jobs during concerts, assemblies and plays. Audiences would have to turn up their hearing aides to listen to performances without these students.

RED CROSS

Philanthropic students in Euclid gave their time and unselfish aid this year to the Red Cross and Bloodmobiles in Euclid’s community. They sponsored various fund raising activities during the year to help organizations. They practiced lifesaving techniques and learned how not to faint at the sight of blood.
STUDENT STORE

Personnel employed in this department provide fellow students with everything from Certs to pencils. They open in the morning and do business between periods. They also have enough pantyhose to clothe an army, an army of girls that is!

EUCLID OUTDOORS CLUB

Nature lovers can enjoy the many outdoor activities while preserving wilderness areas in the Euclid Outdoors Club. Their projects are beneficial to Nature and mankind. Despite rumors, their favorite pasttimes do not include Hide-and-Seek or Search for the missing Buffalo.

PINOCHLE
A few select students have the chance to play Pinochle and show their superiority to their teacher. These students meet Tuesdays to engage their wits in this fascinating card game. They master their Pinochle skills by having fun with classmates and teachers.

Counter Clockwise: Elise Delambo, Lori DeLambo, Mr. Sallach, Meg Clements.

METAL SCULPTURE
In the industrial section of the school a group of imaginative and artistic students solder their ideas together. These students learn to work with metals to create a new form of art under the direction of Mr. Germock. When they finish, their creations prove their skill to form an illusion with metal.

Row 1: Cheryl Twoey, Wendy Cerbin, Mr. Germock.
Row 2: Bev Ranson, Janet Brace, Gloria Hocevar, Joanna Buck.
Never say that the High School does not have any hams. They can be found in the Radio room and heard on the radio as WA8ZGE. Through the supervision of Mr. Reno and Mr. Hungerford, these students can work for their amateur license. This year, the club has talked to people from Salt Lake City, Canary and Windward Island, and Hawaii. They learned much about the radio and other countries.

Row 1: Dave Bokor, WB8ZQG; Manny "Hank" Scanlan, WD8BQO Vice President, Mark Gordon. Row 2: Jeff Clark, WD8ALG President; Charles Reno, WA8WKQ. Absent, Mr. Hungerford, WB8BHC; Mike Kulbickas, WD8EDM; Kevin Halberg, WD8EAB.

Controversial issues arise within a team, but in the Debate Club, these students do not use brute force. The teammates study the pros and cons of recent occurrences and compete against other schools. This year, the club developed its skill of polemics through discussions about medical care. Their skills of logic were strengthened through persuasive and deductive reasoning.

AFS

"Walk together, talk together all ye people of the earth, for then and only then shall we have peace."

A.F.S. (American Field Service) is an active club that sends students abroad to experience other cultures and gives foreign students a chance to live in the United States. The members of A.F.S. contribute money to pay the expenses of the exchange students and have a good time doing it. There are also exchanges within the different school systems in the Cleveland area. Some of the major money-making projects are a candy sale at Christmas, a dance, and the A.F.S. Rock-a-thon. A.F.S. is a great way to get to know more about people in other countries, as well as people in one's own country.

2. Liliana Montejo and Sue Bibler. Liliana is staying with the Biblers.
3. Mrs. Cowan and Liliana.
EUCUYO, Euclid High School's literary magazine, is published annually. Students contribute poems, plays, stories, and art work. These projects are submitted to the staff who select the best works and then they arrange these contributions into a booklet that is sold to the student body. As students share their ideas in literary and various art forms, these aspiring authors and artists are encouraged to continue their talent.
Key Club is a civic-minded group that has been in existence for a long time. They are readily involved in community activities, and help out worthy groups in the neighborhood. Each year they sponsor candy sales, dances, and other fund raising events in school. This year marked the introduction of the Keyettes, the female members of the group.

AV AIDES

The members of this group have a very important job. They provide us, the students, with a break in the monotony of the classroom by delivering projectors and overheads to show movies and transparencies. They also tape all sports events enabling coaches to see mistakes. These men are an asset to the educational and entertaining aspects of visual learning in the classroom.

LIBRARY PAGES

Library Aids assist the already heavily burdened librarians with their chores. They do such interesting things as filing, book sorting, and reshelving. They also wander through the many volumes in search of that engrossing novel that you “just couldn’t find” by yourself.

SCIENCE SEMINAR

Science Seminar provides an opportunity for students interested in the science to meet people who are knowledgeable in the field of science. Under the direction of Mrs. Lucas, they can learn about anything from lasers to astronomy. People involved in industry or universities lecture, and this year the members have visited Warner-Suasy Observatory, NASA, Chase Brass and Copper and Lubrizol.

SKI CLUB

Ski Club represents Euclid's amateur students. They enjoy one evening a week skiing at nearby slopes. All enjoy the spills, chills, and thrills of skiing. They are the only people who benefit from our blizzards.

The hottest rivalry, except the one between Euclid and St. Joe's, is the one that exists between the Survey and the Euclidian. Affectionately called the "Scurvey," it is published six times a year in the form of a magazine. It discusses school news and articles of interest. Talented journalists print news for the benefit of the students and supply the paper free. They are always in hot pursuit of the Euclidian staff for the number one position in journalism, and come close very often. Kidding aside, the Survey and its editors do a great job and are greatly appreciated and respected by all, even the Euclidian staff.

Survey Business members.

The members of the EUCLIDIAN are dedicated to deadlines or so it seemed this year! Sometimes they caught up with the dates in the nick of time and though there was always something to worry about, they all kept their spirit up. The production of the book and seeing it in its final form, was the reward of their work. They learned how to make a book and lay out pages during week-end or summer workshops. Mr. Dickinson and Mr. Hall sponsored the club but they were quite independent in designing the book. Each person had a different job, from selling the yearbooks to students to selling advertising to businesses. The staff hopes their efforts are enjoyed by its supporters and hopes the yearbook staffs of the future have much fun and luck.

LETTERMEN

The Letterman Club is a group of young athletes, not only excelling in sports but also work for top grades. They have spirit and enthusiasm in all they do for the school.
The National Honor Society honors students of high academic achievement and outstanding character. The organization has been in existence over the years to encourage high scholarship and character. These students are involved in extra-curricular activities and service organizations in their school and community, as well as academic courses. This year the N.H.S. has been disbanded; therefore, the Seniors pictured here became members last year. At the present time, they are the last members of the National Honor Society.

HORSEMANSHIP CLUB

SURVEY BUSINESS STAFF
CLERK TYPISTS

The purpose of the Clerk Typists Club is to develop leadership abilities through participation in vocational education and civic, recreational, and social activities. The students plan together, organize, and carry out worthy activities through the use of the democratic process. The club fosters practical application of business and office education through competition.

Officers of the Junior Clerk Typists: Cathy Phillips, President; Sandy Cauter, Secretary; Angela Toiga, Treasurer; Joanna Buccilli, Parliamentarian; not pictured, Jeannette Geddes, Vice President; Angel Belcastro, Historian. VOCATIONAL ART

Vocational Art Classes are proud of their fine accomplishments, including year round displays in the cross-corridor, and the outside showcase. Thanks to this organization, the 1978 EUCLIDIAN has an original cover designed by a student. The students learn the skills needed for commercial art. By the end of this course, the students will master the skills of dot-to-dot and color by number!

ACCOUNTING

Amateurs and Big Business Buffs alike enjoy the challenge and the amusement of figures that accounting provides. Students in the Vocational Accounting program learn all the basic skills and the refined techniques of this important occupation. These future bookkeepers of America take pride in their work while making friends and having fun in class.

STENOGRAPHY

No, just because you couldn’t read those funny curves and lines, it wasn’t an ancient method of communication. This was the stenographers perfecting their skill of shorthand. Shorthand was only one of the countless office techniques the stenographers learned. These girls were interested in the business world of America. Many fund raising campaigns helped cover their expenses.

A long time ago in a galaxy far away on the third planet from the sun called Earth, there was a 1977-78 Student Council. This Student Council performed with cooperation and teamwork to accomplish goals for their school. They came up against tough administrators who also concerned themselves with benefits for the students. Meetings were held to solve differences, and, as told, they worked out for the betterment of all. The Student Council performed many good deeds and will continue to do so throughout the years to come.

Well, here it is! The 1978 Euclidian. May you derive much pleasure from it. The value of this book may not be apparent to you until years from now but it is a valuable memory book. Please try to overlook the mistakes. In a book this size there are bound to be many mistakes. After all the many problems we had with this book, it's a wonder that it's even here, but thanks to the help of many people, we got it done. There are so many people who helped that it is not possible to mention them all, but there are a few special people whom I would like to mention.

A thank you to all the teachers who let us get out of their classes and were so understanding during our deadlines. Also to Dr. Bergem for letting us get out of homeroom to sell books, etc. And to Morey for getting the pictures to us when we really needed them.

A special thanks to my editors. JACKIE - you really are a good worker. You were so quiet in the Euclidian office, half the time we didn't even know you were there. But you got your work done, probably the only one who got things in on time and I always knew I could count on you. You have a great future with the yearbook next year, and I wish you the best.

SIMEO - you were really a surprise. You came in, and with the help of Mr. Dickinson and many other people picked up the pieces and put together the Advertising Section. For awhile there, I was beginning to wonder if we could ever get that section done. HANNAH - You're a good sport, H.B. You were always there, and with a little pushing and yelling you got your section done. You got it done, though, and you added what I had only talked about before, making our book a little different and a little better. I hope someday, too, you find the right door! CHERYL - I guess I was always yelling at you, but I had to take it out on someone, and I guess it was you. I got you moving, though. DIANE - What can I say? You were handed the biggest section, with virtually no experience and to be honest, I was doubtful that you would pull it through. But, you took command, scheduling endless pictures which no one showed up for; you got together a staff of your own, dishing out pages for people to do, and you got it done. DORIE AND EVA - You two really pulled together to get your section done. Coping with loss of pictures, bad pictures, etc. etc., I never saw you guys, but pages kept coming in faithfully, and that's what counted. ERIC - You are completely crazy! But there was method to your madness, because pictures got taken, and things got done. With all your other interests, I'm glad you took so much time to help us out (Even if I was a no good editor). You are a really good photographer and next year's staff will know how good you were. GLORIA - We've gone through a lot with this section of yours. You had new ideas on how to set up the section and you carried it through. It takes a lot of work to do that, but I'm glad you went through with it. MR. HALL AND MR. DICKINSON - You put up with a lot from all of us and I'm sure we had you sweating there for awhile, but for as much as we never admitted it, we really appreciated all your help and support.

All the other people Debbie, Carol, Beth, Millar, Mary, Kathy, Louise, Ellen, Dave, Peggy, Beth, who wrote copy (sometimes unprintable), did pages, sold ads, took pictures, sold books, and just generally helped to put the book on its feet, I can't thank you more than enough. You got the book done. I would like to say a special thank you to Ed, for helping me to keep my sanity through all the craziness, and problems that I went through, and listening to all my troubles, no matter how stupid. I would've never made it without you.

Remember all the good times in the Euclidian Office that we had. Obscene messages on the board, throwing darts, doing shorthand all the time, cutting down everyone, and all the other craziness that we went through.

I just want to wish the best of luck to next year's staff. I sincerely hope you don't have all the problems we had.

Cheryl Frank
